CROSS-BORDER TRAVEL

Emergency Management (Cross Border Travel) (COVID-19) Direction 2020

BEFORE YOU TRAVEL INTO SOUTH AUSTRALIA

During times of a COVID-19 cluster outbreak, anywhere in Australia, the SA Government will amend the *Emergency Management (Cross Border Travel) (COVID-19) Direction 2020* to restrict or stop cross-border movement. *This will affect you if you travel across (to or from) the SA state border.*

Please note that the spread of COVID-19 clusters can be rapid, with borders closed with little to no prior notice to you. You should always plan your trip into South Australia with this in mind.

Before you travel to South Australia, check for any restrictions at:

[Cross-border travel | SA.GOV.AU: COVID-19 \(covid-19.sa.gov.au\)](https://www.sa.gov.au/covid-19/cross-border-travel)

and **register** for your cross-border travel at:

[CrossBorderTravel \(police.sa.gov.au\)](https://www.police.sa.gov.au/crossbordertravel)

Also:

- Check the [Greyhound Racing SA site](https://www.greyhoundracing.com.au) for any notices about restrictions relating to greyhound movement (e.g., animal quarantine).
- You must still nominate for racing and trialling using the usual method.
